

# Waste sorting guide

## Household waste – where you live

Green trashcan.

Make sure food waste is properly contained!

Do not dispose of hot ash in the trashcan.

Emptied by waste collectors **every 2 weeks**

Lilleberg World

## Paper, cardboard and plastic – where you live

Trashcan with blue sticker on lid.

**Paper and cardboard:** Newspapers, magazines, paperback books, milk cartons, pizza boxes, etc.

**Plastic:** Clean plastic packaging material, tubs, bags, bottles, etc. Tie bag shut and leave next to trashcan with blue sticker on lid.

Emptied by waste collectors **every 4 weeks**

## Glass, tin cans, clothing – recycling points

There are several **recycling points** near your home. Dispose of glass and tin cans in designated containers. Donate clean clothes that do not have holes in them in the containers designated for clothes.

## Other waste – recycling stations

At the **recycling station** you can dispose of other types of waste: metal, hazardous waste, electrical appliances and devices, electronic waste, furniture, garden waste, etc.

Are you unsure of what to dispose of where? Find more information at [www.fosenrenovasjon.no](http://www.fosenrenovasjon.no) or [www.sortere.no](http://www.sortere.no)
